

## PUBLIC NOTICE

The Town of Constable will be conducting a town wide data collection project for the purpose of updating the town's data collection cards. This project will be done during the months of April through August 2024. During this Process the Town Assessor, Robert Ball and/or Data Collector David Mace will be visiting each property within the Town of Constable to photograph and measure the outside dimensions of all the buildings and structures located on properties within the Town of Constable.

This process is being done to ensure the fair and equitable assessment of properties throughout the Town. Please do not hesitate to ask for an ID when the assessor or data collector comes to your property. They will not ask to see the inside of your property or for any of your personal information
