The Town of Constable will once again be offering roadside pick-up of residential lawn debris. Due to the misuse in the past, the following rules must be strictly adhered to:

1. Small brush shall be kept to a maximum of 4 feet in length, 6 inches in diameter, and stacked neatly at the edge of the road, but not to interfere with traffic.
2. For pick up, please call the Town Garage at 483-1147. Make sure to give your name, address and phone number.
3. The dates for the pick up this year are April 20 - May 1.
